## **SUMMER READING**

**Dear Parents and Students of Incoming 7<sup>th</sup> Grade,**

**Summer reading!** As we wave goodbye to you for the summer vacation, it is my desire that you give reading a top spot on your list of summer activities. Unless students read regularly during the break, it is very probable that they will fall behind about three months in their reading achievement. This is called “Summer Slide”. What can you do to help? Make sure your student reads the assigned books and completes the attached worksheets. This is to be turned in the first week of school in September. This assignment counts as a test grade. Challenge them to complete the summer reading challenge sponsored by our school. The rewards are great! Be a role model for your child. Studies show that students who see adults read daily or weekly tend to read more and have a higher reading score than those who don’t. In addition, studies also show that reading four to five books over the summer can be enough to maintain reading skills.

**THE REQUIRED BOOKS FOR ALL INCOMING 7<sup>th</sup>  
GRADERS ARE:**

**The Cay by Theodore Taylor (this book will be lent to your child)**

**Tangerine by Edward Bloor**

**These books are available at Barnes and Noble, Border’s. Thank you for your attention. May you have a most enjoyable summer!**
